Red, 1 owner, Take Triumph's superb Sprint ST (Sport Touring) and make it more adept at touring and also pillion friendly and what do you end up with? A Triumph Sprint GT (Grand Touring), that's what. Sounds easy enough but in practice Triumph had to revise the Sprint's chassis in a major way. So with a longer swingarm and steel subframe the GT becomes uber-stable when decked out with 117 litres of luggage, a pillion and 20 litres of juice. It goes further than that, though. Lower seat height, a wider, more comfortable pillion seat, built in grab rails on the topbox mounts and revised footpeg positions! and more. Comes with full GT pack including Sat Nav. The North West's finest family run motorcycle dealership, £7,995 no
