Our UPVC windows are available in a wide range of colours, styles and finishes, and do a fantastic job of keeping the warmth in and unwanted intruders out. In fact, as far as windows go, you'd be hard-pressed to find something better, which is probably why 95% of our customers are happy to recommend our services. Casement windows

Tilt and turn windows

Bay windows

Sliding sash windows

White, rosewood and Golden Oak Here at Britelite Windows, we install some of the best doors in the South East. Whether you want a composite, uPVC or aluminium, we've got something for you.

Choose from a wide range of colours, designs, glass styles and security options and custom build a door that best suits your home. We install standard front doors; patio, French and bi-folding doors; and we can also fit a super secure front door that doesn't even require a key.

Britelite doors are best complimented with Britelite Windows – why not take a look at our extensive range of windows? For more information on our range of beautiful doors, please choose one of the options below. ;
