Hello everyone, and thanks a lot for stopping by to read this. My name is Dorothee, I am 29 years old and I am an Erasmus student. I am in the middle of my Masters degree in Health- and Social Journalism at Uni in Germany. Currently I am on a placement in Hailsham, urgently in need of a roof over my head from 18th August to 27th September when my placement is coming to an end. I am disabled as I suffer from a rare skin condition, non contagious. My skin care requires quite a bit of time every morning. So, my own bathroom will be a great thing to have. Apart from that I am a very talkative and sociable person, that loves chocolate. If you feel like helping now, please do get in touch. That will be great. Thanks for reading, sharing and hopefully responding to this. Cheers,
