2 SCALE INHIBITORS Scalemaster Product description: • Scalemaster Magnetic Gold Scale Inhibitor 15mm products work by charging scale particles from the of passing cold hard water over multipole magnets under turbulent conditions. • Such action causes tiny scale crystals to adhere to each other, altering their size and shape rendering them less capable of attaching to plumbing and remain harmlessly suspended within the water. • As the modification is temporary, with the effect wearing off quickly in stored water, we do not recommend Magnetic treatment of water for whole house protection. • Saves on energy costs • Needs no chemicals or power • Easily installed • No moving parts ,No maintenance required • Scalemaster, fitted by tradesman with confidence for over 10 years. • Only suitable for individual appliance protection • Manufacturer: scalemaster Product code:400143 Scale Wizard "Electronic Water Conditioner." Product Description 60% of UK homes have hard water, basically calcium dissolved in the water. Calcium scale build-up blocks pipes, increases fuel bills clogs shower heads, causes marks on taps and basins and makes washing machines and dishwashers work less efficiently or even worse break down. With this electronic water conditioner fitted to your incoming water mains pipe, is enough to protect your whole home or office from calcium build-up. Product Features • Removes existing scale • Saves on energy and fuel costs • Appliances last longer • No hard scale on taps and basins • One unit treats the whole house or office • No chemicals/no plumbing • Easy DIY fit • Suitable for all types of pipes • Made in the UK • Dimensions: (WxHxD) 105 x 70 x 30mm • £35 the two Peacehaven 07908 776766 07908 7767...(click to reveal full phone)
