Learn how to make electronic dance music on Ableton Live 9

North, Lancashire Location

https://www.freeadsz.co.uk/x-395333-z

I can cover topics such as:

Eq Compression Headroom **Cutting loops** Arrangement Warping Midi Resampling Insert & send fx Stereo width **Plugins**

I can also teach you how to make mp3s and upload them to soundcloud and send links to record labels.

I have released tracks on beatport. Juno. ITunes. Trackitdown etc. I also manage a Techno record label.
