The MV Agusta F3, WOW!! what a bike, MV have managed to completely out do themselves with the 2013 F3. The looks are stunning, the 3 cylinder engine chucks out mind blowing 148 bhp with a top end of 160mph. The handling is razor sharp good and the Brembo brakes are phenomenal. Whats more the F3 comes with four different ride modes, eight stage traction control and a Marzocchi front forks and Sachs rear shock. All this makes a the F3 one of the most desirable mid range super sports out there, well done MV!! This stunning example is exactly that and with only 600 miles on the clock and barely 7 months old the bike is virtually brand new. It also comes with the optional quickshifter upgrade, ABS and battery charger. This is an incredible piece of kit and at only £10995 its well worth viewing. It comes with remainder of manufactures 2 year warranty full HPI check, first service and.
