For sale is a complete bag of Royal Mint Battle of Britain 2015 50p coins. There are 20 coins in this unopened bag. The coins are uncirculated but will show slight marks from being in the bag and rubbing the

other coins. These will be very very minor and they may also possibly have the tiniest of dents. This is normal and you will find this in every bag of coins due to go into general circulation. You will not find these marks on BUNC or proof coins as they are handled differently. If there is enough interest I will consider selling the coins individually.

Price of the whole bag = £29 + £2.37 signed for delivery.

Individual coins = £2.74 which includes postage.

Thanks for.
