A beautiful set of BUNC coins to commemorate the 2016 Rio Olympic games. Included in the set are 16 x 1

Real coins depicting the events (2 show the Rio games Mascots), 1 x Olympic Games London to Rio handover

coin, 1 x large silver plated London to Rio handover coin and 1 x commemorative replica Gold Banknote 1

Million Reais made from 24k carat Pure Gold foil. All this presented in a "One-Off" specially laser-cut mounting frame with hanging tab. This item is unique and unless someone copies it you will not see another

one like it anywhere in the world! The coins (Reais) are legal tender in Brazil. (Not that you would ever want to spend them!) So grab yourself a one-off piece of Olympic history. If the item is to be delivered it will be dismantled and all coins packaged in protective sleeves to avoid scratches and dents etc. The frame

is 3 layers held together with 8 strong earth magnets. Message me for details on postage costs and methods.

Thanks for.
