Milano Leather Large corner Sofa - LUXURY DEAL!

URGENT!!

I am moving from my current London apartment to a smaller place which will not fit this beautiful sofa.

It was brought from here last year - <http://www.darlingsofchelsea.co.uk/milano-large-corner-sofa-left>

It is retailing for £3250, however i am in a rush to get rid of it as need to move houses so am willing to knock off £2000 and do for £1250.

It is in absolutely great condition as was barely sat on.

The only wear and tear is a slit with scissors that was made by a friends child on the L part, however this is 4 cm long, so hardly noticeable. (will take photo tomorrow when visit the apartment).

Removable legs available

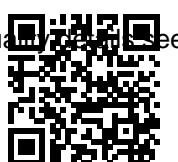

Top quality reflex foam for added comfort

FRAME : Mixture of solid and engineered wood

92 cm : Height
