

Ford Focus 2001 1.8 manual Green (150 GBP)

Location **East Midlands, Lincolnshire**
<https://www.freeadsz.co.uk/x-395474-z>

Ford Focus 1.8 manual car. Year 2001. Great runner in general, really good condition inside and out. MOT now expired but there were NO advisories on last MOT. Has since had New tyres, new battery, new front brake disks and pads. Will need fuel pump replacing as it has blown the fuse. (Not major) May or may not start but only due to the fuel pump, it is intermittent! Once starts keeps going but will need doing, hence the orice for a very nice car. collection from Bourne. Non smoker owner. Only selling as have to drop to one car. 100,000 miles on the clock, which is great for a 14 year old car! £150
