For sale is my beautiful Epiphone Casino1965 Elitist, John Lennon's favourite guitar. Made in Japan and fitted with American Gibson hardware, this has to be played and heard to appreciate the quality of this guitar. It's virtually a Gibson but without the silly price tag! If you're reading this ad, then you no doubt know what you're looking at, so I won't babble on about it. Home use only and in excellent condition. 900 pounds..cash only.
