I am just over 1 year old and I eat from my owners hand and my owner always strokes me. I come out of my cage and go to the kitchen or garden then i come back to cage. There's no need to shout at me or tell me off i always play in the kitchen and garden just remember to leave my cage roof open and I will come out and go back in . I have a ring on my foot. I can can come sit on your shoulder and hand if i get used to you me. I am semi tame and I am leaving to talk about little bit. If you can give me a loving home contact my owner on.
