

Pattern cutter, made to measure patterns, professional grading , 3D simulation, sewing,

Location **London, London**
<https://www.freeadsz.co.uk/x-395816-z>

Made to measure patterns, professional pattern grading , 3D simulation, sewing, sampling, small production , logistics services and providing capacities for large orders (1000 - to 20.000 pieces)

I am a Head of Production, garment technologist and expert tailor with over 25 years experience in the fashion industry, familiar with both men and women clothing . I have worked, over time, as pattern cutter, sample machinist, garment technologist, and head of production. I worked for brands like : PAUL SMITH, MSGM, ZARA , NEXT, MARELLA , MOSCHINO.

I have a professional team who can solve almost any problem from the fashion industry.

Services that we offer:

- Pattern cutting, pattern grading;
- Made to measure patterns for men and women suits, dresses , shirts, skirts, trousers, waistcoats, etc.
- Made to measure and bespoke men suits, shirts, trousers,
- 3D garment sewing simulation with setup fabric patterns,
- Selling ready-made patterns for: suits, trousers, shirts, skirts, underwear, T-shirts, waistcoats, coats, tails, tie, bow tie .
- Sampling;
- Small or large production runs ;
- Consulting for start up companies, brand building, collection development, finding solutions for any

problem:
