Hello Mr & Mrs I am a doctor of Economics living in France in several fields of activities and following the financial difficulties faced by many people around the world I decided together with my lawyers and my notary loan between individuals and all individuals who are in need. Then for your needs of loans between individuals to cope with financial difficulties, either to revive your activities or for the realization of a project, to finally break the deadlock that cause the banks by the rejection of your records to apply for funds, I am able to get loans ranging from 5,000 livre sterling to 500,000 livre sterling with an interest rate of 3% to the amount you need and with repayment terms that will facilitate you the life. You are registered, Bank banned and you do not have the favor of banks or better you have a project and need financing, a bad credit record or need money to pay bills, Fund to invest in companies. Then if you need loan please feel free to contact us to learn more about our terms and conditions. For any other information please contact us by mail: click to contact ;
