Medium/large size frame, Shimano 105 groupset, in excellent used and totally original condition, it is not brand new and does have very very minimal signs of use, I have looked after it very well and cleaned after every ride. This bike is selling on the Giant website for £1299 so grab a bargain. I will accept any sensible offers. Please message me for further details, any inspection is welcome.  
Collection from Connahs Quay CH5 I have some Crud Roadracer 2 mudguards that I will include with the
