What we offer are authentic and legal downloads of digital games, sent in the form of an account. After purchase, you receive access details (login and password sent to the email address provided when you purchase). You will receive an account and a complete guide to install your game. After completing the simple activation process, the game will be yours indefinitely. As you can see, the games are not different from those you buy in a retail store or from PlayStation Store, you can play online and earn trophies, just like any normal games, delivery time from 10 mins to 12
