This lovely desk unit would ideally suit a child's bedroom, as it's blue and pine coloured! This is a really great, useful unit, and has been very much loved, but it is now seeking a new owner to enjoy it all over again as we simply need the space! As shown in the photographs, there are just a couple of tiny things to mention as there are some 'flecks' in the blue veneer on the outside of one of the drawers, and a small area of damage inside another drawer. There is also some slight water staining on the inside of a drawer. As we really need the space at the moment (we are moving house!), we have taken this into account, hence the low price of just £15. The maximum width of the desk unit is 120.5cms; the height is 73cms and the depth of the unit is 49.5cms. Thank you so very much indeed for your interest in this lovely desk! If you have any questions or queries at all, please do not hesitate to!
