## HONEST ADVERT:

This is my big beautiful girl Cleo, I bought her two years ago because honestly I thought she needed a better life than the one she was living.

She has been the most wonderful escort to my younger/nervous horse making him into a super little hacker.

She is a real honest type, always takes care of her rider but also has the go faster buttons for the more confident rider.

So her details- she is 17'3, TB X SHIRE, she is estimated to be in her early 20's but with a sketchy history this is not confirmed (however don't let that put you off see her before you judge!) she is a true happy hacker, fine in all traffic alone and in company. Been used for complete novices and been fine even, had a group of toddlers have a go on her!

She does have mild COPD but is managed by living out and soaked hay if she is in, she does have sweetitch but again managed with her boet rug (comes with her)

I will ONLY loan her if she is kept at her current yard which is a stunning place in west hoathly.

Come with tack and wardrobe.

Genuine enquiries and experienced people only as it's really tough saying goodbye to this big.
