

## Elinchrom BRX500 studio strobe flash heads (600 GBP)

Location South East, Kent https://www.freeadsz.co.uk/x-404820-z

a pair of 500W studio lights in excellent condition and hardly used, these two flash heads work beautifully and provide a lovely controllable light, I'll include a couple of spare lightweight stands as well. Also included is an EL-Skyport SPEED Transmitter and all leads/sync
