The Jester BMX Bike (Suit age: 8 to 16 years).

----- As the name suggests this is a fun bike. Condition: Everything working as it should. There are a few scuff marks and scratches to the paintwork and graphics. This bike came to me as a part exchange for a bike I sold. The seat is stuck in its current position. I think its been left outside a couple of winters. From my experience the BMX riders have the seat in that low position (even the taller riders), as it's easier to do stunts and wheelies. I have serviced the bike, replacing brake cables and new brakes calipers on the front. ----- Specifications: Colour: Black

Frame material: Hi Tensile Steel,

Frame size: 11 inch,

Handlebars: 4 bolt stem – (not 360 gyro), Tyres: 20 x 1.95 ----- Collection: From B69, Oldbury, approx 1 mile from town centre. Delivery: May deliver.
