Well trained, loving cat that has been a part of our family since a kitten. Grown up with three children from birth so great with kids, just wants love and attention of which due to unforeseen circumstance we no longer can provide. Free to a new loving home (had to place a value in the gumtree advertisement placement but this is not what we want for her, we just wish for her to find a lovely new home and do not expect payment for her!). She is flea and wormed regularly, a healthy older cat with many more years left in her as shes been well looked after and well fed all throughout her time with our.
