

1925 Essex Super SIX Phaeton (250 GBP)

Location **East of England, Hertfordshire** https://www.freeadsz.co.uk/x-405376-z

1925 Essex Super Six Phaeton. Immaculate car currently being used as a wedding car, original roof and features. Currently running a 2 litre pinto engine for reliability but the original engine is included in the sale. Lots of history with this car including it being in Australia in a motor museum for 25 years. Would make an ideal investment opportunity as this model is very rare. To appreciate the car does need to be.
