Here is my beloved scooter
 It's a Sinnis spirit 125cc custom retro scooter.
 It is in very good condition some minor marks but nothing bad.
 This is a very nice retro style scooter and is a must see.
 Low mileage.
 Still has a M.O.T with no advisories
 Has recently had new rear break shoes fitted.
 Has had a brand new genuine seat fitted as original one had a tear in it from last owner (as I am picky with minor things.)
 Recently had new belt and variator and nakuru 11.5g roller waight. new chain sliders,
 new chain tensioner,
 Recently had a engine oil change
 And gear box oil change. I only ever use the best oil wich is castrol power 1 4T.
 Gloss black with decals , and chrome.
 Plus has a new luggage box on the back Wich is very handy.
 I have looked after this scooter since in the short time I have had it. I have never rid it in the rain either. I have full logbook in my name
 I am the second owner from new.
 Service history.
 Original owners manual.

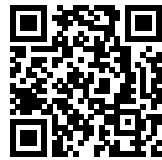

M.O.T certificate.
 New disc brake on spare wheel.
 New black wheels with silver white wall fitted. Will show the white wall the cleaner with
 New mirrors cost £20 I am not a young idiot that rags or races the engine. It's never been miss used!....
 Cheap on fuel, and cheap on insurance.
 I am only selling due to getting a bigger bike, fully working not a single problem.
 Engine is perfect. First to see will buy.... Any questions or viewing is more than welcome. £750
