

Handsome Quarter Horse Colt (1,500 GBP)

Location **Wales, Mid Glamorgan**

Our 2nd and final colt to arrive by double negative 5 panel tested Va VaMoose out of imported Oklahoma mare, Sun Jacks Tyree. Seren Jack John is a cheerful chap, used to being handled, with lovely conformation and temperament. He will be ready to go to his new loving home once weaned. We would almost certainly expect this chap to make 15hh and be a powerful performance
