I have 3 old bikes for sale - just got them out of storage and pumped up the tyres so they are good to go. They are a bit rusty and tired but that makes them ideal for getting to the beach and not worrying that someone is going to steal them! 1. Ladies Universal Rampage mountain bike. Purple. 15 speed Shimano gears. Pannier rack. Easily adjustable seat height. Good tread on the tyres. 2. Raleigh All terrain bike. Silver/Black. 21 speed Shimano gears. Front suspension. Good runner - this bike did the London to Brighton a few years ago but hasn't had much use since. 3. Saracen Forcetrax mountain bike. Metallic blue. 21 speed Shimano gears. Tyres are quite worn and the seat has a rip (but it's my favourite so don't mind if this one doesn't sell) Price is £15 per bike. Can throw in spare inner tubes if.
