Microsoft Encarta Encyclopedia Deluxe 2000 features rich content and advanced technology that create an exciting educational experience for students of all ages. In-depth information is yours to explore. View all available resources at a glance on the contents page. Then jump to Sidebars, where you'll find famous speeches, historical documents, and literary excerpts. Link to related Web sites or discover other sources on the recommended reading list. Videos, animation clips, audio clips, and more bring learning to life, turning every report and research project into an interactive educational experience. Review Updated for the new millennium, this outstanding reference now offers 42,000 articles, 170 videos and animations, a natural language search function and a dynamic timeline. Improvements to the interface make searching cleaner and easier. Other special features include virtual tours, 360 degree views, InterActivities, a Research Organizer and text-to-speech capabilities. It's hard to find fault with this amazing reference, suitable for the whole family. You'll find yourself having to switch back and forth between the two primary CDs frequently, but this is a small price to pay for access to such depth and breadth of content. Teaches: research skills, general
