A Chinchilla Persian male 1 year old cat fully cream slight ginger need re-homing. He has been recently fully vet checked, neutered, micro-chipped, vaccinated, treated with fleas. He is flea free and has been fed with natural supplements for worms. Comes with documents. Reason for sell: I bought this cat around 2 weeks ago and he would not accept my own tom cats. Hence he needs to be re-home. His temperament: he is very reserved, very quiet cat, he likes to lay by the window all day, he loves to eat wet food only. He would respond to cat meat treats. I prefer him to go into a home with no other children or cats. Otherwise I will not sell. I have paid quite a fortune for the cat and due to unforeseen problems. In regards to the costs I initially set out. Hence I am only accepting £250 for this persian cat. Viewers are welcome to come and have a look before making a decision. No offers accepted. ;
