

The logo for ACE VEHICLES features the letters 'A', 'C', and 'E' in white, bold, sans-serif font, each enclosed within a solid black circle. The circles are arranged horizontally with a small gap between them. Below the central 'C' circle, the word 'VEHICLES' is written in a smaller, black, sans-serif font.

Based near Battle East Sussex We are a one stop shop for anything automotive so in future you will only have to call one person for anything you need doing on your vehicle ! We provide a mobile diagnostic service with the latest scanners so we can diagnose any problems with your vehicle including engine management, airbags and ABS, we run a full ECU scan on your vehicle and can pinpoint and problems and in most cases tell you what parts are at fault, sometimes if you have a low battery or similar it can put on an engine management light or airbag light and just needs resetting. We have our own great value mechanic who has over 30 years experience in the automotive repair side of the motor trade and has very competitive rates on repairs. Diagnostic charges start from £20 for a full system scan pinpoint any problems these are wrote down for you and the system cleared. We can do mobile and come to you anywhere in Kent and Sussex although there will be a minimal charge for fuel depending how far away you are from us please call us for a free quotation. We also offer a alloy wheel refurb service and we can even change the colour of your wheels for you if you fancy something a bit different ! From Satin black to Pink ! Prices start from £40 ! We also can enter your car for mot at our local MOT station where we check the car over first and rectify any faults we find so your car has maximum chance of passing, if not we can carry out any repairs cheaply but only once we have spoken to you told you what your car needs and given some prices, this saves you money, time and you get the car returned fully mot'd ! We also offer a valeting and detailing service using the best Autoglym and Autosmart cleaning chemicals Full valets start from £50 We also do machine polishing removing minor scratches from your vehicle plus restoring and maintaining a top high gloss shine Vehicle mopping starts from £45 for a whole car We also offer a collection / delivery service to make life easier for you or take our courtesy car (subject to terms and

conditions) so your not inconvenienced. We can collect your car from home or work or drop the courtesy car off to you! Mot's service is 24 hours a day. We offer a service for you while you wait or bring your car to us, also we can take you to our nearest mot and service center under first class service from primary mot and workshops for your service, you so you don't forget what your mot or service is due please call us and we can give you the service you require. Our service starts from £17.99. We are fully insured for every aspect of public liability, trade insurance to cover us fully comp on your vehicle. We also offer a 24 hour recovery and transportation service, plus accident breakdown at a much more competitive price than!
