

# DECATHALON MOUNTAIN BIKE Aluminium frame. 21 gears 75 ono (75 GBP)

Location

South West, Hampshire

<https://www.freeadsz.co.uk/x-406219-z>

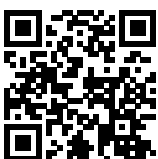

Nice bike, model is a Rockrider, has small frame will suit adult up to about 5ft 6in. Saddle can go very low for teenager moving on to adult cycle size.

Frame measures 16" from top of seat tube to centre of crank.

21 gears, aluminium frame, very little use, paintwork bright without many marks at all. Just lubricated and adjusted for a trouble free Summer and beyond.

Happy to answer questions by phone text or.
