Eastbourne. A very attractive and retro single speed bike in rare colour scheme. Great condition and regularly serviced, this bike rides like an absolute dream and is great fun for nipping through traffic on your commute to work. Comes complete with pannier rack, 2 x 15L Altura pannier sacks, a set of Altura overshoes for wet weather, a good quality FRONT light (no rear light), a standard hand pump AND a very good Kryptonite Silver Standard lock with Kryptonite chain - a very expensive setup and very hard for thieves (this bike is so good looking that a lock is an absolute must). £225 for whole package, an absolute steal but **LOOKING FOR A QUICK SALE** as I'm moving.
