

## Facial palsy support group - 3rd September, 10am-12 noon, Learnington amp County

West Midlands, Warwickshire Location https://www.freeadsz.co.uk/x-406398-z

Facial palsy can be very isolating. Facial Palsy UK have a network of support groups across the UK to help people living with facial paralysis from any cause, to meet up and help one another. This can be by sharing experiences, increasing knowledge, fundraising etc. But mostly it is about knowing that you are not on your own. Please contact click to contact palsy UK for more.
