Lovely Mamas and Papa's cot bed in good condition. Great cot as it has adjustable heights for as your little one grows. Bed is a great size and could last till a child is about 5 years old. The cot sides have a plastic protector to stop the wood from being chewed. Happy to provide mattress too, it also is in good condition, although top cover has frayed a little in the middle. No actual problem with it and it remains a comfy feel. From a pet free and smoke free home. ;
