

Toyota Yaris 2008 (3,200 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-406533-z>

This has been a great little car and I've really enjoyed driving it. The car is really good on fuel and is a dream to drive. Ive never had any issues with this car since ive owned it and its always been regularly serviced. It has an mot till July 2017 and had no advisories. Very good as a first car or as a family.
