Great, stylish, sturdy BMX bike in super orange colour. Cool, fat skinwall tyres. In great condition and well looked after. All stock as delivered including front brake. Bought for my daughter who has not really ridden it much and now is ridden more by her big brothers (and her dad)! Not quite 'as new' condition but still shiny and clean. Saddle cover peeling slightly underneath but not really noticeable and a few small scratches here and there. A lovely bike that has years of fun left in it. Over £300 when new. Tech info:
