Very well looked after 2010 Suzuki GSX1250FA. Very clean bike, Oxford heated grips (worth £80), Givi monokey rack for panniers and top box (worth £210), touring Scottoiler (worth £130), R&G aero crash bungs and cotton reels (worth £200), Michelin Pilot Road 4 tyres fitted (new this year), recent oil service. Two keys, owners manual and service book, V5 present. Only two owners (I'm the second), this bike has never skipped a beat and starts first time every time as expected! Loads of torque and never lacking in power! MOT due end of September - it will fly through - I would get one done but can't until 24th August. Selling due to purchase of a new.
