This is a cosy two bed chalet just north of Aviemore which sleeps 4 in two bedrooms, one double (second photo) and two singles (third photo), and 2 on a sofa bed in the lounge. It faces south in an idyllic woodland, very sheltered setting. The windows are not overlooked, as it is the first chalet on the hillside going up, so nothing in front of it. Full kitchen (fourth photo) and conservatory for dining with six places (sixth photo), comfortable lounge with sofa bed, equipped with TV/DVD, and electric radiator heating (fifth photo); WiFi in clubhouse. Towels provided. Available from 17th to 24th June and from 24th June to 1st July 2017 only, which often coincides with a settled, warm and sunny time of year in Scotland. YOU COULD OWN THE FREEHOLD OF THESE TWO WEEKS FOR FREE! However, as owner you would have to contribute to the resort running costs, which at present is just under £450 per week owned, total £894 this year. Please contact me for details.

From this year on, under the new scheme, it is possible to change the weeks in this resort or exchange into another of the resorts run by the same company in Scotland, England, Wales and Spain. There is a large fishing Lochan on site (eighth photo), together with a tennis court, heated indoor pool (seventh photo), clubhouse and restaurant,. There are allocated parking spaces within 25 yards of the chalet. Other on site club facilities include a gym, sauna, and games room with table tennis. There is a small launderette with two washing and two tumble-drying machines. Located 7 miles north of Aviemore, and 6 miles from Loch Garten, which is famous for its Ospreys, which you may still be able to watch with their chicks at this time of year from the dedicated RSPB Centre on the Loch side. There are fabulous country walks from outside the door and in nearby Carrbridge, and there is a golf course a few minutes walk away. The Cairngorms are 10 miles away, also the river Spey and its distilleries. It is 30 miles from

Inverness, and Loch Ness is within easy day trip distance. Dogs are welcome. Highchair available for £495 for the year, £94 for the week. Let us know THE SAME BELOW. I have stayed in this chalet in 2014, and it was a \*\*\*\*\* rating. My husband and I, with our two children and our dog Jack had a lovely week in the chalet. Although the only thing that let down our stay was that the swimming pool was steamed up and the main reason we made it so good was that we didn't use the gym didn't happen, but I'm using my being 7 1/2 months pregnant as my main reason, I was in the heated pool only however. Not far from Aviemore, a short drive, and an outdoor adventure park literally 2 minutes away, meant there was things to do when it was dry, and my daughter Rhiannon mastered the climbing wall at the adventure park. We also saw a red squirrel go past the conservatory when we were sitting having lunch which we were thrilled at. Overall a great week holiday. Would recommend and would go.
