The biggest strength of the Fiesta is the way it drives, it's incredibly satisfying from behind the wheel, and we don't think that you will find a car that handles better for the same money. The Fiesta doesn't just give you a great drive, it's one of the best cars in its class and a long way ahead of its rivals in this category. The steering is superb, exceptionally agile and responsive, there's loads of grip, great fun to drive and park around town as well as on the motorway. This is such a vibrant colour
