Mini moto

Restricted to age 4-13 by the throttle!

Engine rebuilt new crank seals and piston and pot new carb, new fuel tank and hose! Easy pull fly wheel and pull start fitted second hand hydraulic brakes one needs bleeding
 All with recites to provide this work has been done!

Top speed 20-25 mph weight dependent

My nephew only likes to be pushed on it, i have spent a lot money building it, he just screams at the noise. So we have decided to sell this one and find a electric one for him.

The handle bars forks and exhaust chamber seem to have a some surface rust! Wire brush and it comes straight of!

50.1 mix

I would like £120ono no silly offers i am more then happy to put the brake back on and bleed it also i will do a one final inspection before selling.

I have spent more then i should fixing it up

Please text and ill get back to you, soon as possible.
