Brand new The Eaga energy monitor gives you a quick analysis of the energy consumption in your household. What does the Eaga energy monitor do? By providing you with a summary of your energy consumption in cost and estimated greenhouse gas emissions, this energy monitor will help you find ways you can start cutting back. Youâ€™ll also know what energy bills to expect with this easy to install unit â€“ no more hair-raising shocks when you open your bill. As well as that, you could end up saving up to 15%* of your household energy consumption. *Energy Saving Trust. Why we like the Eaga energy monitor: It gives you an up-to-date reading of the amount of energy youâ€™re using in cost and greenhouse gas emissions. It can really help you to save money and cut back on your energy usage; by keeping track of what youâ€™re using you can adjust your behaviour accordingly. It could help you cut your household energy consumption by as much as 15%.* Itâ€™s easy to install, so youâ€™ll be monitoring your energy consumption in no time! Moving home sale. *Energy Saving Trust See link below; <http://www.uswitch.com/energy-saving-products/energy-monitors/eaga-energy?>
