FOR SALE. 2011 SKODA FABIA ELEGANCE Tdi DIESEL CAR. First registered in December 2011. 4 Door Hatchback. Alloy wheels with 4 good tyres. £20 per year road tax. Over 50 miles per gallon. Over 500 miles on a tank of fuel. New brakes at last MOT in December at 47k miles MOT until 21/12/2016. Full Service History with receipts for work undertaken. 'Gardx' protection treatment inside and out. In great condition throughout, a few minor scratches in line with its age but still a brilliant little work horse, lots of fun to drive, I've been happy with it on longer trips on the motorway as well as local journeys. No nasty knocks crashes or bangs, it drives like new. Being a hatchback there's easy access to the boot which holds more than the average in this class. With four doors, there's no problems with access to the rear seats, which fold down enabling those larger items to be carried... easy! It has covered less than the average mileage at just under 54k. 3 former keepers. I have the V5 in my name. Advertised locally and nationally. Make me a sensible offer around £5500. Cash, bank transfer or bankers draft are all acceptable means of payment. I will not accept cheques or Paypal. ;
