I have done this breeding for the owners of the mum as they wanted two puppies from our boy...mum is a stunning all black gsd great granddaughter of "manus v tiekerhook", she has a fantastic friendly laid back nature, very clever and very obedient. Dad is son to "hausmailand quarto von marinita" he has fantastic obedience and loves to please, also very loyal. Both parents come from excellent lines. pups are nearly 6 weeks old, all black and tan, straight back, short haired, they are already very confident and very alert, I have 3 males, 3 females available, they come from a litter of 8 but as I have already mentioned mums owners have already picked 2 pups...pups will leave with kc papers, 3 gen pedigree, microchipped, 1st vaccination, wormed and frontlined upto date, vet check, fully weaned... both parents can be seen...£100 depo will secure pup ready to leave 18th
