Approx size 8 foot high 3 foot 6 ins wide each. Were from wardrobe installed by Reflectorlux of Cwmbran a few years ago, still in good condition, but cannot guarantee they will stay that way as are now in my garden. The rails are still in place in the room as attached to floor and ceiling, but these do show wear and tear, so if required as sliding doors it is best to put new ones in. However could make a feature wall as fixed either in their frames, or with the mirrors removed and mounted flat on the.
