****PRICE NOW REDUCED**** Now at the bargain price of £999 (reduced from £1295) must go. 1st to view will buy this wee cracker. If not sold by the end of advert goes to Auction which would be a shame. Picanto LX 1.1 5 door in excellent all round condition. Company plus one lady owner and guaranteed miles of under 35000. Spotless interior and looks as if rear seats never been sat on. Remote central locking. Four Electric windows. All four matching tyres with 6mm tread. Hand book pack and service book (one stamp). Economical and cheap to tax or insure. Car has obviously been well cared for and Miles guaranteed and backed up from MOT history. Negatives:- Some stone chips on roof, slight flaking of paint from grill (common fault). Air con not working (not investigated), one Key. usual minor chips / scuffs commensurate with age / miles. Tyre compressor from boot missing (Most people prefer a spare wheel / jack).

For its age the car is excellent and worthy of viewing and test drive.

Road tax is £110 a year.

We are selling this trade in as is. Car has had a safety check, valet and put through MOT. You can have inspected by anyone you want and as long a test drive as you want (within reason) but the car comes sold as seen with no warranty due to age. Far too nice a car to send to auction. Looking for £999.
