I'm a native English speaker. I know my language inside out. Knowing something 'inside out,' means that one knows something very well. I am experienced in helping non-native speakers from Brazil, China, Japan, Korea and Russia to improve their English. I can offer face-to-face lessons in London for £15 per hour or Skype lessons for as little as \$10 per hour through italki.com - <http://www.italki.com?ref=3425777x> I am a patient and cheerful teacher and will do everything I can to help you - I promise you can and will improve quickly with my.
