Just taken in part exchange this little Avondale SeaSpirit is ideal for someone looking for their first motorhome. Coming in at just over 5 metres in length and weighing just 3400kg maximum gross weight this van offers a great specification at a great price. The van has the wind out awning, cycle carrier, electric step, rear ladder, and is in great condition on the body. Inside once you enter through the main door, your faced with the dinette which transforms into your sleeping area. As you turn down the van towards the rear the kitchen worktop starts on the left hand side and continues across the rear. The kitchen offers you a great working area and is fitted with a stainless steel sink with glass lid. The hob is a 4 burner and comes with a grill and oven in one integrated unit, ideal for cooking your evening meals and morning breakfasts. The bathroom is at the rear and has the usual suspects - Cassette Toilet, Shower, Sink all combined into one neat area. The motorhome is a lo-line and has a great amount of storage space over the cab area and is fitted with cupboards throughout. The motorhome has a gas fire for your heating and has hot water and can be used all year round. The windows are all fitted with blinds /flyscreens and a large rooflight gives the motorhome a nice open feel. A great little van that will make someone a great holiday home for the next few years and probably won't last long at this price.
