A Chinchilla Persian male 1 year old cat fully cream slight ginger need re-homing. He has been recently fully vet checked, neutered, micro-chipped, vaccinated, treated with fleas. He is flea free and has been fed with natural supplements to make sure that he is worm free. Comes with documents. Reason for sell: After taking him home, I realise he needs to be in a home with no children. His temperament: he is reserved, very quiet cat, he likes to lay by the window all day, he loves to eat wet food only. He would respond to cat real meat treats. I feel that he needs alot of encouragement as he is a grumpy cat. He will not allow to be groomed. Very different from my own tom cats. His nature is not aggressive. His sister can be seen here, she is very accepting and sleeps with me. I prefer him to go into a home with no children. I have paid quite a fortune to obtain the cat and aftercare costs and due to unforeseen circumstances. In regards to the costs I initially set out. Hence the low asking price for this persian cat. Viewers are welcome to come and have a look before making a decision. No offers accepted. Location upper clapton london e5.
