Hello, my name is Sharon, I live in Strood, Kent. My experience in photography spans many years and during that time I have gained several qualifications including city/guilds, a diploma and many other certified courses that I have completed. I have a small home studio and several props to suit boys and girls of different ages. The atmosphere is very relaxed and tea and biscuits provided too!! Please see the quality of my work for yourself by visiting my facepage: sharond.images and sharing it with your friends. My prices are really UNBEATABLE. I am running a promotion at the moment, it includes a 30 minute photo shoot, 5 digital images of your choice and one, 10x8inch print, all for ONLY £35! I cover a very large area if you wanted an event covered too, please enquire. Thank you,
