This was my Nan's car and sadly she passed away. So now my grandad is the registered owner (the second owner). This car was brought new and only owned by my Nan, it never failed her. It has general knocks for its age I believe that it is fair (see pics). The paint work is in excellent condition and a beautiful colour. Its just gone through its MOT and required an exhaust backbox which has been fitted and of course the car passed. Its a clean car which is in exceptional condition for its age, in my opinion. Very low genuine mileage. Please, no time wasters vehicle is for sale.
