BMW 320 D M Sport

Currently car still has finance outstanding, I have a copy of the HPI, so the new buyer can see it.

108,300 Miles will increase daily

Full service history, just serviced just under a month ago, stamps in book to prove

4 New tyres, brakes all round, fuel, brake fluid all changed too.

New exhaust front pipe with flexi joint as old one was blowing

Sat nav bluetooth stereo was already in car when I purchased as it is not the standard unit.

Looked after car, good condition inside and out, I have spends £ on servicing so nothing needs to be done for atleast 12 months , just get in and drive.

Looking for a quick sale, you will be paying the finance company with me present also, so when you drive away the vehicle does not have finance still outstanding ,

No time wasters, need this car gone asap as i have a company car on order.

I will add more photos of the interior etc in due.
