A Citroen Relay Van, High Roof which has been converted beautifully into a Campervan. Mileage is under 80,000. Year of van is 2005 and it is registered at DVLA as a Campervan so all paperwork in order. Low Insurance bracket, Full 12 months MOT. Been serviced twice a year for the last 4 years I have owned it. As the pictures show this van has been well cared for and we will be very sad to see it go. I have lots more photos of the interior of the campervan so if you are interested, please contact me for further.
